

Authors and readers of Geospatial Health are cordially invited to attend the:

6th International Symposium on Geospatial Health with the 1st European Symposium on Parasites and Geospatial Health held in conjunction with the XI European Multicolloquium of Parasitology (EMOP) July 27, 2012, Cluj-Napoca, Romania

The 6th International Symposium on Geospatial Health - First European Symposium on Parasites and Geospatial Health - will be held on Friday July 27, 2012 during the XI EMOP meeting in Cluj-Napoca, Romania. We hope that members of the Global Network for Geospatial Health (GnosisGIS) will take advantage of the great opportunity to also attend the full XI European Multicolloquium of Parasitology (EMOP) scheduled for July 25-29, 2012.
